

III. REMARKS

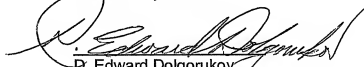

In the amendment dated June 12, 2007, the Examiner indicated that Claims 20-25 and 36 were allowed, and claims 27-30 would be allowable if rewritten in independent form, including all the limitations of the base claim and any intervening claims.

The applicants gratefully acknowledge the indication of Allowability.

Applicants have rewritten Claim 27 to include all of the limitations of Claim 15 and Claim 26, thereby putting Claim 27 in allowable form. This makes claims 27-30 allowable, along with Claims 20-25. Applicant has cancelled all other claims in the application without prejudice to filing them in a continuation application.

In view of the above amendments, and the remarks explanatory thereof, a favorable reconsideration of the present application, and the passing of this case to issue, is courteously requested.

Respectfully submitted,
